**PM-404.4.1 Area for Sleeping Purposes:** Every room occupied for sleeping purposes by one occupant shall contain at least 70 square feet of floor area and every room occupied for sleeping purposes by more than one person shall contain at least 50 square feet of floor area for each occupant thereof.

**PM-404.4.4 Prohibited Occupancy:** Kitchens, non-habitable spaces and interior public areas shall not be occupied for sleeping purposes. Where living room, dining room or combined living / dining room spaces are required by PM-404.5.2, such rooms shall not be occupied for sleeping purposes.

(International Property Maintenance Code / 2012 as amended)

State law requires installation and maintenance of smoke detectors for all rental units, one within each bedroom and one on each level of a multiple level dwelling. The Village of Streamwood Municipal Code requires carbon monoxide detectors for all rental units. State law requires that carbon monoxide detectors be located within fifteen feet (15') from all sleeping rooms. If you have any questions regarding detectors, please contact the Fire Department at (630) 736-3650.
