The Village has earmarked over \$1 million in MFT funds for various 2019 road maintenance items. Projects included in this year's program include maintaining our local road resurfacing and starting the Irving Park Road widening project between Madison and Winchester Drives. Prior to spending these funds, bids are opened, reviewed and approved by the Village Board.

Architectural Services

The Village Board accepted a proposal for architectural design services, from FGM Architects, for the reconstruction of Fire Station #31 and expansion of the Public Works facility.

Daylight Saving Time – March 10

Daylight Saving Time begins at 2:00 am on Sunday, March 10. When you set your clocks **ahead** one hour, it's also a good time to check and/or change the batteries in your smoke and carbon monoxide detectors.

Citizens Fire Academy

Want to learn more about how our firefighters and paramedics work? The Fire Department will host its Citizens Fire Academy starting May 13. This 8-week course gives residents insight to the operations of our department. Sessions are held on Monday evenings at 7:00 pm.

Residents 18 years and older may apply; registration is required. Applications are available online or at any of the Fire Stations. Application deadline is April 29.

For more information, visit our website at www.streamwood.org, or contact Battalion Chief Steve Tomzik at (630) 736-3660 or stomzik@streamwood.org.

Village President's Message

President Roth congratulates a 2018 Career Exploration participant.

On April 4, 1969, the Village Board adopted Ordinance #1969-330, which created the Streamwood Fire Department. The Ordinance established the position of fire chief, and allowed the Village Board to authorize additional members when necessary. It detailed the duties of the chief including making rules and being "responsible for the training and conduct" of the "firemen." The fire chief was assisted by

one regular fireman and over a dozen volunteer firemen. While the Ordinance was adopted on April 4, it declared the fire department would become operational on May 1, 1969.

A lot has changed since 1969. Our department has 52 firefighter/paramedics, which includes men and women. We offer a wide variety of fire prevention, fire suppression and public education programming. All of our fire personnel are trained paramedics, and we offer advanced life support in all of our vehicles. We are proud of the dedicated service and professionalism of our department. We will be celebrating their 50th Anniversary throughout the year, including at Summer Celebration.

2019 also marks the 5th year of our **Streamwood Career Exploration Program**. This unique program, which runs during spring break, has allowed over 75 high school students to get involved with the businesses in our community and apply classwork to the world of work. This year, we are expanding the program to 40 students in the fields of manufacturing, business, and early childhood education. The Village greatly appreciates the help and cooperation from our business community in providing these students a true hands-on experience.

It has certainly been a long, cold, and odd winter: deep snow, deep cold, rain, and sleeting thunder. Now that spring is almost here, shake off the cabin fever and join us for a number of great community events!

Our police and fire departments will once again be battling for bragging rights, while raising money for our community at **Guns N Hoses**. The annual charity basketball game will be held on Friday, April 5 at 7:00 pm at Streamwood High School.

Our annual **Art Appreciation Around the World** exhibit at Poplar Creek Library will be held on April 6. Our Community Relations Commission is hosting this very special event that showcases the various cultural heritages in our community through art. The exhibit will be open from 1:00-4:00 pm.

Finally, on April 27, our Natural Resource Conservancy Commission will hold its annual **Streamwood Environmental Education Day (SEED)**. Visitors will learn about conserving our natural resources and enjoy a live demonstration of exotic animals. It's a great opportunity to get rid of e-waste and unused prescription drug collections. We'll once again offer paper shredding. The event will be at the Police Training Room and run from 10:00 am-2:00 pm.

Handwritten signature of Billie D. Roth.
