Luminaria 2016

Streamwood residents young and old gathered to help ring in the holidays during the Village's annual Luminaria celebration. Volunteers lit over 3,000 luminaria displayed along Park Boulevard, Veterans Memorial and the Village's municipal campus. Guests enjoyed friendship, cookies and cocoa, while children waited patiently for a visit with Santa and Mrs. Claus. The Streamwood Children's Choir entertained guests with classic holiday favorites. The end of the evening was celebrated by two winners selected to help President Billie Roth light the official holiday tree in Veterans Memorial—the final touch to Luminaria's magnificent display of holiday lights.

2017 Village Budget Summary

The Village Board recently adopted its 2017 Operating and Capital Improvements Budget. The budget is balanced, keeps property taxes flat, lowers water and sewer rates by 1%, and reinvests in the community by increasing funds in the street and capital improvement funds. The budget furthers the Village Board's goals of maintaining services and programs in the most cost-efficient manner, and the most prudent use of taxpayers' dollars.

The \$59,435,426 budget represents a 4.2% increase from 2016. Despite factors outside of the Village's control, most notably the State of Illinois budget impasse, the Village of Streamwood has been able to finish 2016 in the black. In compliance with Board policy, these savings are reinvested into the community.

The budget process starts with the Village Board's goal-setting procedure aimed at addressing the needs of our residents. This provides the framework for the development of our budget. The Board's consistent goal is to keep property taxes low, while continuing to provide high-quality services to the community.

The 2017 Budget seeks no new revenue sources. Decreases in the general fund, debt service, and Illinois Municipal Retirement Fund levies were made to offset increases in police and fire pension costs. This allowed the Village to keep the 2016 levy equal to the 2015 extended levy.

The Budget also includes a 1% rate reduction from the current water rate plan. The reduction will affect rates in 2017-2019. This new rate structure will allow the Village to properly plan for water costs, maintain the infrastructure for water delivery, and pass the savings of water rate stabilization onto our residents.

The increase in proposed expenditures for 2017 is due to the Village's commitment to funding capital investment and police and fire pension costs. These pension increases were due to actuarial assumptions and a poor rate of return on investments in 2015. The good news, moving forward, is that the market has rebounded. Further, the Village Board's policy of funding the actuarial contribution is a key to long-term stability.

Continued reinvestments in capital improvement funds in the budget include funding for street improvements and other capital expenditures. Maintaining our infrastructure within our means, without relying on bonds or debt, is another long-standing goal of the Village Board.

The 2017 Budget includes funding to complete at least six miles of streets to be reconstructed or resurfaced throughout the Village. Funds are also set aside to make purchases for vehicles and building improvements. This 'pay-as-you-go' philosophy has allowed the Village to minimize debt, retaining one of the lowest per capita debt levels in the area. Additional plans for 2017 include updating the Village's Comprehensive Plan, developing a new community events sign, and completing a Village-wide space needs analysis.

The Village is in sound financial shape. We are confident that we enter 2017 with the capacity and resources to respond to the needs of our community. The Village remains committed to providing quality, cost-effective municipal services. We will continue to provide the highest level of services to our residents and businesses, and make certain these services are provided in the most efficient manner possible.

Village Board News

McDonald's Grand Re-Opening

Village Board members attended the grand re-opening of the McDonald's Restaurant on Irving Park Road. The renovated facility has a dual drive-thru with improved on-site circulation, along with a bright, fully modernized interior.

Audit Award

The Illinois Government Finance Officers Association has again recognized the Village for its comprehensive annual financial report. This is the highest recognition in the area of governmental accounting and financial reporting. This is the 28th year the Village of Streamwood has earned this award.

Levy Approved

The Village Board adopted the 2016 Tax Levy. Increases in actuarial requirements for police and fire pensions were offset by reductions in debt service, non-public safety pensions, and the general fund. This resulted in a levy that was equal to last year's extension.

Commission Appointments

The Village Board was pleased to welcome three new members who were sworn in to serve on Village Commissions: Alexander

Bafia to Civil Service, and William Wagner and Charles Stricker to the Veterans Commission. We are thankful for their willingness to serve the Village and its residents in this volunteer capacity.

Streamwood Police Awarded Traffic Grant

The Streamwood Police Department was awarded funding for fiscal year 2017 from the Illinois Department of Transportation, directed towards participation in the Sustained Traffic Enforcement Program. The grant program is specifically focused on eight special enforcement campaigns, targeted to reducing the incidence rate of motor vehicle crashes resulting in fatalities and injuries. This will be accomplished through increased enforcement of occupant seat belt restraint and impaired driving.

The Streamwood Police Department joined other state and local law enforcement agencies across Illinois, in conducting an enforcement of unbuckled motorists and impaired drivers, during the **Click It or Ticket** campaign. The **Click It or Ticket** campaign was conducted by the Streamwood Police Department during November 14 – 27, 2016, which resulted in the issuance of the following citations: (1) DUI arrest; (2) seat belt violations; (3) uninsured motorists; and (36) speeding violations.

Our officers are out year-round. If you or your passengers are caught not wearing a seat belt, day or night, you will be cited for the violation.

The Christmas campaign was conducted from December 16th through January 2, 2017; however, the enforcement numbers were not available at the time of newsletter printing.

The next campaign is the St. Patrick's Day Campaign. It will begin on March 17th and end on March 20th. The enforcement focus of this campaign will be the same.

Holiday Lights Recycling Program

Once again, the Village is partnering with Elgin Recycling for the 2016/17 holiday light recycling program running now and through February 3, 2017. For your convenience, collection boxes have been placed at four Village locations: Streamwood Village Hall; Streamwood Public Works; Poplar Creek Public Library; and Park Place Family Recreation Center. Simply place any old, broken or unused lights in the designated containers during normal business hours of the respective locations. For more information about the Holiday Lights Recycling Program, please visit www.streamwood.org. You can track our progress at www.elginrecycling.com.

Thank you to all of the residents who participated in the 2016 **Holiday Home Decorating Contest** and for showing your Streamwood spirit! The Luminaria Committee had a difficult time judging all of the beautifully decorated homes. Congratulations to the 2016 winners:

Village President's Message

Happy New Year! We hope that your entire holiday season was truly happy. Maybe you were among the crowds who helped us welcome in the holidays at Luminaria on December 2. On behalf of the Village Board of Trustees, I would like to express our sincere appreciation to all those who helped to continue this unique tradition in Streamwood including **Cheryl Dahl-Kearney and family, Dee's Catering, the Streamwood Children's Choir,** and the many civic and scouting groups, individuals and families who decorated our parkways and helped at Village Hall.

Maybe you were one of the hundreds of generous people who helped brighten the holiday season for those less fortunate in our community. Many people dropped off donations at the Village Hall, and other locations throughout Streamwood, for the Kiwanis Club's coat drive, Hanover Township's toy drive, and Township food pantry. Many local businesses also participated in our Holiday Helping Program, which gave children from disadvantaged families an opportunity to shop for Christmas gifts at the **Streamwood Super Target** store, accompanied by Streamwood police officers and firefighters. We send our grateful appreciation to everyone who supported this wonderful program. Thank you for helping to make the season bright for these families.

The Streamwood Blood Commission hopes you can keep the spirit of giving into the New Year. The Commission encourages everyone to give the gift of life on January 25, between 1:00-7:00 pm, at Village Hall.

It's hard to believe that another year has passed, and 2017 is upon us. The Village Board recently adopted our 2017 Budget. Once again, we were able to adopt a balanced budget that is focused on maintaining all levels of services with no increases in taxes or new fees. We were able to apply a budget surplus to a number of capital projects including the continuation of our street program. We also reduced our planned water rates 1% over the next three years.

We look forward to an exciting year. 2017 is the 60th Anniversary of Streamwood! Stay tuned for special events. We hope you will be able to join us as we celebrate 60 years of our community throughout the year!

Billie D. Roth, Village President

GO GREEN

Help Prevent Water Pollution This

Winter

Our Natural Resource Conservancy Commission (NRCC) works hard to help preserve our

natural resources. Keeping our waterways free of pollutants is a key way to preserve our water supply. During the cold winter months, salt that is applied to our sidewalks, driveways, parking lots and streets eventually flows into the streams and rivers. Help keep our waters clean by following these few simple steps to reduce salt use:

- Before the storm, apply a liquid de-icer to prevent snow and ice build-up. This will make shoveling and snow removal easier and more effective.
- Shovel, snow blow, plow or sweep as much as possible. Don't use salt in place of removal operations.
- Don't apply too much. Less salt can still be effective. If there are any leftover salt crystals, the salt has been over-applied.

At low temperatures (-15° F) salt becomes less effective. Why throw out good money? Consider using sand as an alternative.

Want To Help?

The NRCC encourages residents to get involved with improving our environment. Volunteer opportunities are available to help by marking storm drains and improving the Village's wetlands and other natural areas, including picking up trash, removing invasive plant species, and planting native plants. Volunteer applications are available online at www.streamwood.org or at Village Hall. Join us in our efforts to protect our natural resources!

Kittie's Korner

Village Clerk Kittie Kopitke

VILLAGE HALL CLOSINGS

In observance of the New Year's holiday, Village Hall will be closed on **Monday, January 2, 2017**. In addition, Village Hall will be closed on **Monday, January 16, 2017** for an In-Service Training Day, and **Monday, February 20, 2017** in observance of Presidents' Day.

WINTER PARKING

Parking is prohibited on Village streets between the hours of 1:00 am – 5:00 am except where noted in specific subdivisions. Street parking is also prohibited after 2" or greater snowfall, until streets are fully plowed. Winter parking rules are in effect **now and through the end of February, 2017** and allow for vehicles in residential driveways to block the sidewalk and/or parkway if necessary.

BLOOD DRIVE

The Streamwood Blood Commission, along with Streamwood VFW Post 5151, is hosting a Blood Drive at Village Hall on Wednesday, **January 25, 2017** from 1:00 – 7:00 pm. The need for blood is always particularly critical during the winter months - please consider donating. For further information, please contact (630) 736-7968 or visit www.lifesource.org and use **sponsor code SW98** to register. As always, walk-ins are always welcome!

Village News

Keeping Kids Warm and Safe

Big warm coats are important when kids play outside, but not necessarily safe when in the car. Heavy coats and snowsuits can compromise your child's car seat safety, as it may alter how the child fits properly. To help keep infants and toddlers warm and safe while transporting during the winter months: warm up the car if possible; dress infants and small children warmly in normal clothes and a hat; and use blankets over their car seats to keep them warm. Toddlers can put their coats on backwards once in their car seats, allowing them to move their arms while keeping safe and warm. If you have any questions or would like to make an appointment to get your child seat checked or installed, please contact the Streamwood Fire Department at (630) 736-3650.

Streamwood Police to Offer Citizens Police Academy

Do you have more than a curiosity about the workings of your police department, its officers and the 911 system in general? The Streamwood Citizens Police Academy (SCPA), a 10-week program instructed by Streamwood police officers, can provide you with that information! SCPA offers classroom and hands-on instruction, and offers citizens a closer look at the inner workings of how the police officers perform their duties, as well as how the department

functions to serve the community in varying capacities. Topics covered include traffic stops, crime scene preservation and evidence collection, NIPAS (SWAT) teams and much more.

The next SCPA session takes place on **Monday, March 6, 2017 through May 8, 2017**. Classes meet at the Streamwood Police Department on Monday evenings from 7:00-9:00 pm during the 10-week session.

Interested participants must be 21 years of age or older to attend; registration is required. Applications are available at the Streamwood Police Department, Village Hall or online.

The deadline to apply for the March 6 session is February 19, 2017. If you have any questions, please contact Sergeant Constantino "Dino" Heckermann at (630) 736-3709 or heckermann@streamwood.org

ALERT

ComEd has begun its installation of Smart Meters in Streamwood homes and businesses. Please be aware that **ALL SMART METER INSTALLATIONS WILL BE PERFORMED DIRECTLY BY A COMED EMPLOYEE, NOT A THIRD PARTY.** All ComEd employees will display a ComEd issued picture ID, and you should ask for it to be presented prior to allowing them to enter your home/business.

If you have concerns about anyone coming to your door, contact 911. You may also call ComEd at (800) 334-7661 to verify ID.

School News

Congratulations DARE Graduates

Congratulations to the 5th grade students from Oakhill, Ridge Circle, Glenbrook, Sunnysdale, and St. John's elementary schools, who graduated from the DARE instruction program – 'Keepin' it REAL.' This 17-week instruction program is taught by Streamwood's DARE certified police officers, Matt Stastny and Ed Polaski. The program teaches children how to say 'no' to drugs, and gives students the skills and strategies needed to make better life choices.

Streamwood High School (SHS) Drama department takes the stage! **The Illinois Theatre Association and Illinois High School Theatre Festival Selection Committee** selected SHS and the cast and crew of King Lear to perform at this year's festival, being held at University of Illinois. The William Shakespeare play is led by SHS senior Haley Fish. This is the biggest festival of its kind in the United States with more than 4,000 students attending. SHS is the first U-46 school selected to showcase a full-length production.

John Garcia and U-46 CEO, Tony Sanders

Streamwood High School graduate and ABC-7 reporter John Garcia visited his alma mater to serve as Principal for a Day, a program which offers community and business leaders a behind-the-scenes look at the duties and responsibilities of a principal. Garcia shared stories and observations as the keynote speaker during the luncheon at Villa Olivia.

Congratulations to Glenbrook Elementary School for being recognized by Chicago Magazine as one of the top 10 best suburban elementary schools. The mission for the Glenbrook community is working together to create an environment with high expectations where all students develop the skills and strategies needed for lifelong success. Glenbrook Elementary School's social worker Monica Rivera was recently honored by the Crisis Prevention Institute Midwest Chapter with the "Walk the Talk" award. Ms. Rivera, along with Willard Elementary School's social worker, Debra Williams, both earned the award for their commitment to care, welfare, safety and security of all students and staff.
