*Monday Evenings, 6:30pm-8:30pm
August 16th to October 25th*

Our Citizens Police Academy gives community members new insights into how police officers perform their duties and serve the community. It is also a great way to foster better communication between community members and police through education. The Academy consists of ten classes focused on topics such as Forensics and Evidence Collection, Criminal Investigations, Patrol Functions, Traffic Stops, Special Operations, Domestic Violence Investigations, and more.

The class is open to residents and those who work in the Village.
